

SAAZ NEUPANE

FULL STACK DEVELOPER

PROFESSIONAL EXPERIENCE

Full Stack Developer

Syvar Technology, Lalitpur, Nepal

May 2022 – Present

- Developed and deployed multiple web applications using the MERN stack, resulting in a 30% increase in user engagement and a 20% decrease in user bounce rate
- Designed robust security measures, including OAuth2 authentication and HTTPS encryption, resulting in zero security breaches over six months of application use
- Implemented agile development methodologies resulting in a 50% decrease in overall project delivery time and an increase in successful on-time project completion by 25%
- Optimized application performance by reducing API response times by an average of 50%, resulting in a more seamless user experience and higher customer satisfaction rating

Associate Mobile & Backend Developer

PI Tech, Kathmandu, Nepal

Nov 2021 – Apr 2022

- Collaborated with senior developers to design and build Android mobile applications, resulting in a 40% increase in user engagement metrics
- Introduced advanced security features for both mobile and backend applications, including two-factor authentication and encryption protocols, reducing risk of data breaches by 75%
- Developed robust backend systems using Django that can handle up to 10,000 requests per second, resulting in improved system stability and response times
- Integrated algorithms to predict stock market trends with an accuracy rate of 70%, resulting in a 20% increase in user retention.

Jr. Graphics Designer

Brandlancer Global, Kathmandu, Nepal

Feb 2018 – Apr 2019

- Collaborated with senior designers to create innovative and eye-catching visual materials for 10+ clients, resulting in a 90% satisfaction rate
- Assisted in the development of over 50 logos, brochures, posters, and digital media projects with a focus on improving brand recognition and aesthetic appeal
- Collaborated with marketing team to develop a cohesive brand identity on social media, resulting in a 15% increase in followers within the first month of implementation.
- Gathered and analysed data from social media PPE campaigns
